## **Foreign Exchange Program Standards and Registration Procedures**

Foreign exchange programs are an important part of the school experience for both the foreign student and the host community. Programs should provide a cultural experience for both the foreign student and his community. In order to protect the interests of our patrons, students and to ensure the integrity of the foreign exchange program, LEISD has established these standards. They apply to not-for-profit programs involving a one year home stay experience for high school students from foreign countries coming to the United States and this community. All foreign exchange programs requesting participation in LEISD will be considered providing the standards set forth in this document are maintained.

Acceptance at an LEISD recognized institution will be at the discretion of the LEISD Board of Trustees or its designee and is subject to change and review if any agency is not in compliance with the specified criterion. Each participating foreign exchange program must request an application and register annually with Cleota Epps, Assistant Superintendent of Human Resource & Student Services. Acceptance in one school year does not constitute acceptance in the following school year. No foreign exchange student will be registered in LEISD unless the sponsoring organization has been registered and approved by the LEISD Board of Trustees as an accredited agency and also recognized and accepted for full listing by the Council for Standards of International Education Travel (CSIET). Only private, not-for-profit program sponsors will be considered. The standards for acceptance as well as the registration procedures are included in the body of this document. It is the responsibility of the Foreign Exchange Organization to ensure that LEISD policies are understood by the host family and foreign exchange student. Failure to explain policy thoroughly is cause for a revocation of agency approval by LEISD. LEISD standards are based on the established guidelines of the CSIET.
