

What Makes a Leader?

It's a common saying to call a leader a role model, but why is that? Well, a leader is someone who steps up to the plate when others are afraid to, then helps everyone else up alongside them.

A leader sets the bar, and encourages those around them to raise it.

You don't have to be forceful and demanding to be a strong leader. No, a leader just has to know when to lead.

Leaders like these are *made* in Student Council.

Student Council

StuCo provides opportunities to learn, practice, and develop both group and individual leadership skills alongside fellow students. And that's another part of Student Council; the people. Meeting and getting to know fellow StuCo members is always fun! Maybe you'll make a lifelong friend!

We Want You!

Do you have the drive, the desire, and the courage to improve not just yourself, but Little Elm High School too?

Student Council is the club for you!

Our Goal

Our goal as the Little Elm High School Student Council is to give students the opportunity to develop their leadership skills, learn the value of teamwork, and give back to the school and the Little Elm community. Through leadership, responsibility, and service, we bring the school and community together on campaigns, fundraisers, and leadership projects to help elevate Lobo spirit in and out of the classroom.
